

5 SIGNS YOUR HOME IS READY TO BE LOVED AGAIN

1. YOU MOVED INTO YOUR HOME YEARS AGO AND HAD THE PLAN OF UPDATING THINGS BUT JUST HAVEN'T HAD THE TIME
2. YOU OR YOUR PARTNER SPEND A GOOD CHUNK OF YOUR MORNING ROUTINE LOOKING FOR ALL THE ITEMS YOUR KIDS NEED TO HEAD OUT THE DOOR
3. YOU'RE STILL LIVING WITH HAND-ME-DOWN FURNITURE FROM COLLEGE BECAUSE YOU HAVE NO IDEA WHERE TO LOOK OR HOW ITEMS SHOULD PAIR TOGETHER
4. YOU ARE EMBARRASSED TO HOST FAMILY EVENTS/GATHERINGS WITH FRIENDS BECAUSE YOU'RE EMBARRASSED OF HOW YOUR HOME LOOKS
5. YOUR BEDROOM IS ANYTHING BUT A SANCTUARY TO RETREAT TO. IN FACT, YOU MAY HAVE LEFTOVER BABY GEAR OR BINS PILED UP IN THE CORNER
